Inquiry for Planning Purposes

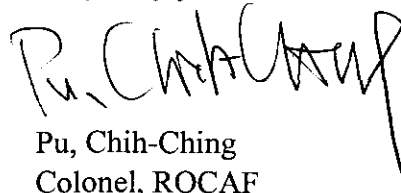

Ladies and Gentlemen:

This Division's end user in Taiwan requires price and delivery schedule quotations and information on any applicable minimum order requirements for items shown on the attached list for planning purposes. Potential suppliers of the subject items are requested to provide the required information to this Division by no later than February 29, 2012. If any items on the attached list are unavailable, information on suggested replacements should be provided.

This is an invitation to provide information. This Division shall have no obligation to award a contract for the procurement of the subject items or to pay any costs incurred by potential suppliers in collecting and providing the requested information.

If you have any questions concerning this matter, please feel free to contact Mr. Pu, Chih-Ching of this Division at (202)895-6812.

Very truly yours,

Pu, Chih-Ching
Colonel, ROCAF
Director
